

Spring Updates & Tips

California communities are now adapting to new regulations that require organic waste, like kitchen scraps, be composted instead of disposed of in landfills.

A new California law, SB 1383, went into effect on January 1, 2022. It sets new requirements for communities to recycle organic waste. The new law establishes that customers may soon include food-soiled paper such as coffee grounds and filters, pizza boxes, paper food containers, paper towels, paper egg cartons, and other paper materials into the green yardwaste cart.

Food scraps such as fruit, meat, cheese, fish, bread, vegetables, and other food items are also targeted for inclusion into the organic recycling materials.

The yardwaste and organic materials will then be processed into rich compost. This compost will be used to enrich the soil in farms, gardens, and yards in our area.

Click recology.com/sb1383 for updates on this important new law. Until the new regulations are implemented for Vallejo, continue to use your green carts for grass, leaves, weeds, and untreated wood along with tree and shrub prunings.

Vallejo Recycles has launched a new informational web page. This valuable resource provides local recycling and composting news. Click on vallejorecycling.com for the latest recycling information.

Extra Waste Solutions

Recology will haul away unwanted items from residential customers. **Recology** drivers will collect large items or extra bagged trash as part of the Bulky Item Collection service. Customers may schedule up to two Bulky Item Collections each calendar year. Call **Recology Vallejo** at 707-552-3110 or contact us at recology.com at least one day before your regular collection day to schedule your collection.

Two cubic yards of material may be set out for each collection. E-waste may be included in the two yards. Mattresses will not be collected during the pandemic. Customers may combine both Bulky Item two-yard collections into one single four-yard collection.

Unwanted Medicines

Listed below are options to dispose of unwanted medications without charge:

- Kaiser Vallejo 24-hour Pharmacy or Walgreens 24-hour Pharmacy, 1050 Redwood Street.
- Vallejo Police Department,

111 Amador Street, M-Th 9:30am-5pm. Call 707-648-5346 for info.

- Napa-Vallejo Household Waste Facility, 889-A Devlin Road, American Canyon, Friday and Saturday, 9am-4pm.
- Vallejo Flood and Wastewater District, 450 Ryder Street, 8am-4:30pm. Envelopes are available to fill out at home and mail. Call 707-644-8949 for information.

Landlords, Check Your Accounts

Garbage service is mandatory in Vallejo and cannot be stopped due to an unpaid garbage bill. Therefore, once a year, all unpaid past due garbage bills go through an assessment process.

It is the property owner, and not the tenant, who is responsible to pay any past due amount by the 15th of July.

Unpaid amounts are added as a line item on the property owner's property tax bill. Courtesy notices, notifying the owner of the past due amount, are mailed in April, June, and January.

It is best to periodically check the garbage account status of all rental properties by calling **Recology** at 707-552-3110. Property owners often put the garbage bill in their name and then add the bill amount to the rent. This minimizes the chances of an assessment being placed on the property tax bill.

We're Here for You
