

SPRING CLEANING? WE CAN HELP!

Spring cleaning season is almost upon us, and with that annual home refresh, comes a big job: cleaning out your clutter. This year, make a commitment to disposing of your unwanted items properly. Vacaville Recycling and Recology Vacaville Solano have disposal solutions for just about everything:

Household Hazardous Waste (HHW) & E-Waste

These are leftover products that can catch fire, react, or explode under certain circumstances and include products such as paint, household cleaners, pesticides, aerosols, batteries, fluorescent light bulbs, and used motor oil. Electronic waste, also known as E-waste, is also hazardous. Televisions, computers, cell phones, and kitchen appliances should all be kept out of landfill.

- › HHW and E-waste disposal is FREE to Vacaville residents. Take your items to the Recology Vacaville Solano Household Hazardous Waste Facility located at 855 ½ Davis Street in Vacaville on Saturdays between 9:00 am and 3:00 p.m. (No appointment necessary, ID and

proof of residency required)

Furniture and Appliances –

Large furniture or broken appliances can be a pain to dispose of – let us help!

- › Vacaville residents are given one FREE bulky item pickup and a FREE landfill pass each year! To request your FREE bulky item pickup or landfill pass, simply call Recology Vacaville Solano at (707) 448-2945.

Mattresses – Rest easy knowing you can recycle that old mattress for FREE!

- › Take your old mattress, box spring, and carpet to the Recology Vacaville Solano Recycling Center located at 855 1/2 Davis Street in Vacaville on Saturdays from 9:00 a.m. to 3:00 p.m. (Limit 5 units per day)

Additional Garbage or Recycling Pickup –

Bigger projects mean more waste. Manage the cleanup by requesting additional carts or scheduling an extra pickup.

- › To make arrangements for your project, call Recology Vacaville Solano at (707) 448-2945.

RECYCLE RIGHT SPOTLIGHT:

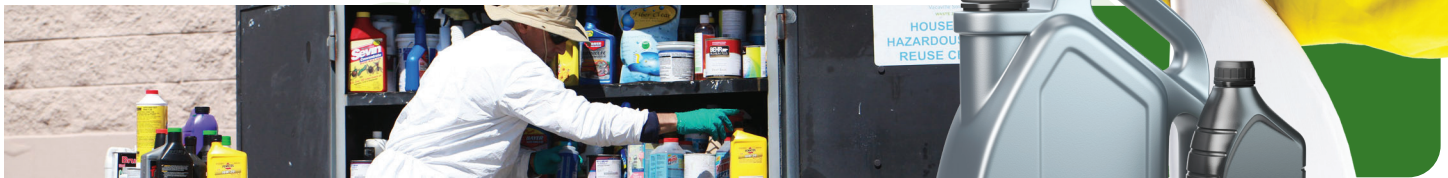

THE REUSE CENTER

OFFERING FREE HOUSEHOLD PAINT AND CHEMICALS TO VACAVILLE RESIDENTS

Looking for a way to save money and the environment? Before heading to the store the next time you need household cleaners or garden supplies, stop by the Reuse Center at Recology's Household Hazardous Waste Facility!

When products that are nearly new are dropped off at the Household Hazardous Waste Facility, they are set aside and brought to the Reuse Center to be redistributed. Residents can choose from a variety of useful household products such as paints, automotive products, cleaners, and lawn and garden chemicals – for FREE!

The Reuse Center is located at the Recology Household Hazardous Waste Facility at 855 ½ Davis Street in Vacaville and is open on Saturdays from 9:00 a.m. to 3:00 p.m.

DON'T FORGET YOUR 2023 **LANDFILL PASS**

Residential customers are provided with one FREE landfill pass each year -AND- one FREE curbside collection annually of one of the following: 2 bulky items, 2 cubic yards of bagged material, or 3 e-waste items!

For more information, or to request your FREE landfill pass or FREE curbside collection, contact Recology Vacaville Solano at (707) 448-2945.

FREE COMPOST **GIVEAWAY**

The City of Vacaville's annual compost giveaway is here! Beginning April 1st through October 31st FREE compost is available to Vacaville residents at Recology's Jepson Prairie Organics Facility located at 6426 Hay Road in Vacaville. Residents may self-load up to four (4) cubic yards of compost per day (weather permitting and while supplies last). Bring your Recology service bill or other form of identification with a Vacaville address as proof of residency.

For questions contact Jepson Prairie Organics at (707) 678-4718.
