Clean Up Your Green Debris, Be Fire-free!

Ashland Fire & Rescue, in partnership with the Rogue Valley Fire Prevention Cooperative, Oregon State Fire Marshal and Jackson and Josephine Counties, are proud to announce the 12th Annual FREE green Debris Drop Off Days for all Jackson and Josephine county residents!

Drop off your green debris free of charge and create a Fire Adapted yard before fire season starts by removing the "fuel" from a potential wildfire.

ACCEPTED MATERIALS: Only organic green debris will be accepted. This includes leaves, pine needles, small branches (up to 6 inches in diameter), brush and other green debris.

PROHIBITED MATERIALS: Please leave trash, stumps, logs, firewood, soil, dirt, rocks & treated lumber at home. If you bring your green debris in bags, the bags need to be emptied and taken home.

We seek to eliminate waste by developing and discovering sustainable resource recovery practices that can be implemented globally.
