

Resources to Electrify Your Home

Electrifying your home by replacing gas appliances with modern electric equipment helps you live in a cleaner and healthier environment

- [Switchison.org](https://www.switchison.org): Find incentives and contractors
- [BayREN Home Energy Advisor](#): Free, unbiased advice to walk you through rebates and find a BayREN participating contractor
- [Peninsula Clean Energy \(PCE\)](#): Rebates and zero-interest loans
- [Induction Cooktop Loaner Program](#): Borrow a portable induction cooktop to get hands-on experience

Inflation Reduction Act
Tax credits available for heat pump equipment for up to \$2,000 and energy efficiency upgrades for up to \$1,200.

San Mateo residents are eligible for a variety of rebates and resources to go electric. Find more info on the City's web page.

*Rebates subject to change.

Rebates*

Appliance	Rebate Administrator	Total Rebate Amount
