FISCAL SUSTAINABILITY

Like many cities in California, the City of Foster City is facing rising costs for services and fewer resources to maintain core services, including streets repairs, public safety, parks and more. Ahead of the coming budget season, the City is beginning a community engagement effort to understand residents' priorities and also discuss a potential revision to the City's Business License Tax. 2024 CITY COUNCIL

On December 4, 2023, the City Council held its annual Reorganization Ceremony, and selected new Mayor Patrick Sullivan and Vice Mayor Stacy Jimenez for the coming year, while Jon Froomin, Sam Hindi, and Art Kiesel will serve as Councilmembers.

The City Council held their annual Vision and Policy Summit on January 30, when they set their priorities and goals for 2024. Find the agenda for the next City Council regular meeting and learn how you can participate:

RECREATION CENTER REBUILD PROJECT

Construction is expected to begin this year on a brand new Recreation Center. The new design will aim to better accommodate the needs and desires of our community, and will offer a welcome space for more collaboration and increased engagement.
