## Document Shredding

San Carlos residents can bring up to a **MAXIMUM of 3 standard banker boxes** for on-site secure shredding.

- Maximum box size: 10”x12”x15”
- Staples and paper clips are okay
- Proof of residency required

*Event lasts until the time listed or until the truck is full, whichever comes first.*

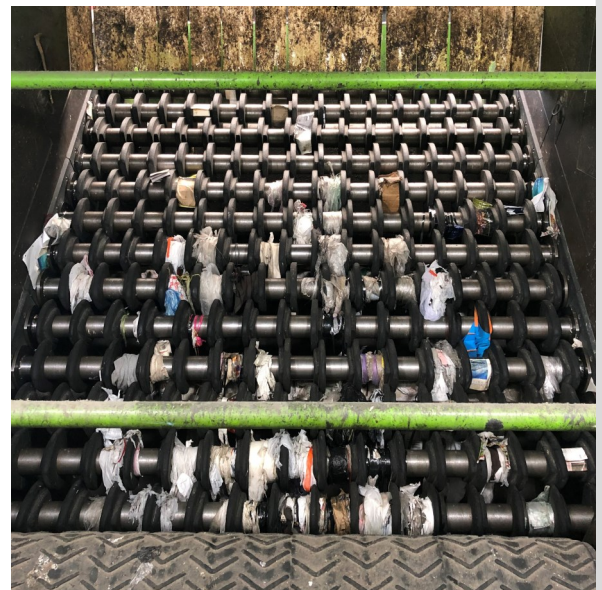

## FRIENDLY REMINDER

### Plastic bags go in the garbage

WHY?

- 1 Plastic bags jam the machines at the RethinkWaste recycling facility in San Carlos
- 2 Facility workers have to go in and manually cut the plastic bags out
- 3 Jams slow down our process, as we receive 540,000 pounds of recyclable material every day

**Tip:** Reuse plastic bags when you can! If not, some retail stores take back plastic bags. Find more information at [RethinkWaste.org/PlasticBags](https://RethinkWaste.org/PlasticBags)
