**County of Santa Clara Department of Environmental Health  
Proposed Amendment of the Transfer/Processing Report  
Recology San Martin Transfer Station, SWIS No. 43-AA-0003**

The Department of Environmental Health Local Enforcement Agency (LEA), which regulates the **Recology San Martin Transfer Station, SWIS No. 43-AA-0003**, located at **1351 Pacheco Pass Hwy., Gilroy, CA 95020**, received an application on June 4, 2024 to amend the Transfer/Processing Report (TPR) to reflect current operations. The application has been deemed complete and correct pursuant to Title 27, California Code of Regulations Section 21665(c) on June 14, 2024, and will be submitted to the California Department of Resources Recycling and Recovery (CalRecycle) for filing.

The scope of the amendment contains the following changes:

- Updated TPR to include SB 1383 language, provide a more accurate description of operations, and a reduction in hours open to the public.

Pursuant to Public Resources Code (PRC) section 44307, if any person files a petition or appeal challenging this approval and alleges that this Agency has failed to act as required by law or regulation during the approval process of the amendment application, the Agency shall hold a hearing. The hearing will be conducted in accordance with the procedures specified in PRC Section 44310.

Additional information about this approved application is available at the Department of Environmental Health and the Recology San Martin Transfer Station as listed below. Copies of the current TPR, the Solid Waste Facility Permit, and the proposed amendment documents can be viewed at the DEH during business hours and by appointment by calling (408) 918-3492. The document viewing locations are ADA compliant facilities. Written comments or verbal comments may be submitted to the LEA until June 24, 2024.
